

Mission/Purpose

Through its scholarship program, the New York State Real Estate Education Foundation (NYSREEF) aims to raise the level of knowledge, professionalism, and client service among REALTORS® by encouraging participation in national designation courses.

Awarding of Scholarships

Awards are announced by the NYSREEF Board of Directors twice a year (in February and October). ***Applicants will be granted no more than one award per year.***

Eligibility

If you have at least one year full-time experience in real estate sales, are licensed and actively practicing in New York State and hold primary REALTOR® membership in New York State, you are eligible. You must:

- Demonstrate a drive to continue your real estate education including a willingness to travel to courses.
- Show positive production results (**at least three closed transaction sides in the past year**) with consistent growth.
- Prove your interest in furthering your career in real estate or real estate education.

It is expected that, upon earning a national designation, scholarship recipients will maintain REALTOR® and designation membership to make the most of the Foundation's investment in your future.

Application Requirements

_____ **Completed applications** must be submitted by July 31 for October awards or December 31 for February awards. ***Incomplete or unsigned applications will not be considered.***

_____ **Two letters** of recommendation supporting the applicant must be included and **must be signed and dated within the previous three months**. Recommendations must include one from the broker or manager of the firm with which the applicant is associated; the other from someone else familiar with the applicant professionally (such as a local board officer, a community or civic organization leader or other professional). If the applicant is a broker, two professional recommendations are acceptable.

_____ **You must attach a letter explaining your motivation for applying** (although scholarship awards are not based on need, you may address any existing financial hardship), your future goals relating to the use of the scholarship, how far you'd be willing to travel to a course and if you plan to maintain membership in good standing allowing you to continue using the designation and taking advantage of the associated member benefits. A description of your community involvement, local board activities and any other information that might aid in the selection process may be included in your letter.
